PLOURDE RECREATION CENTER

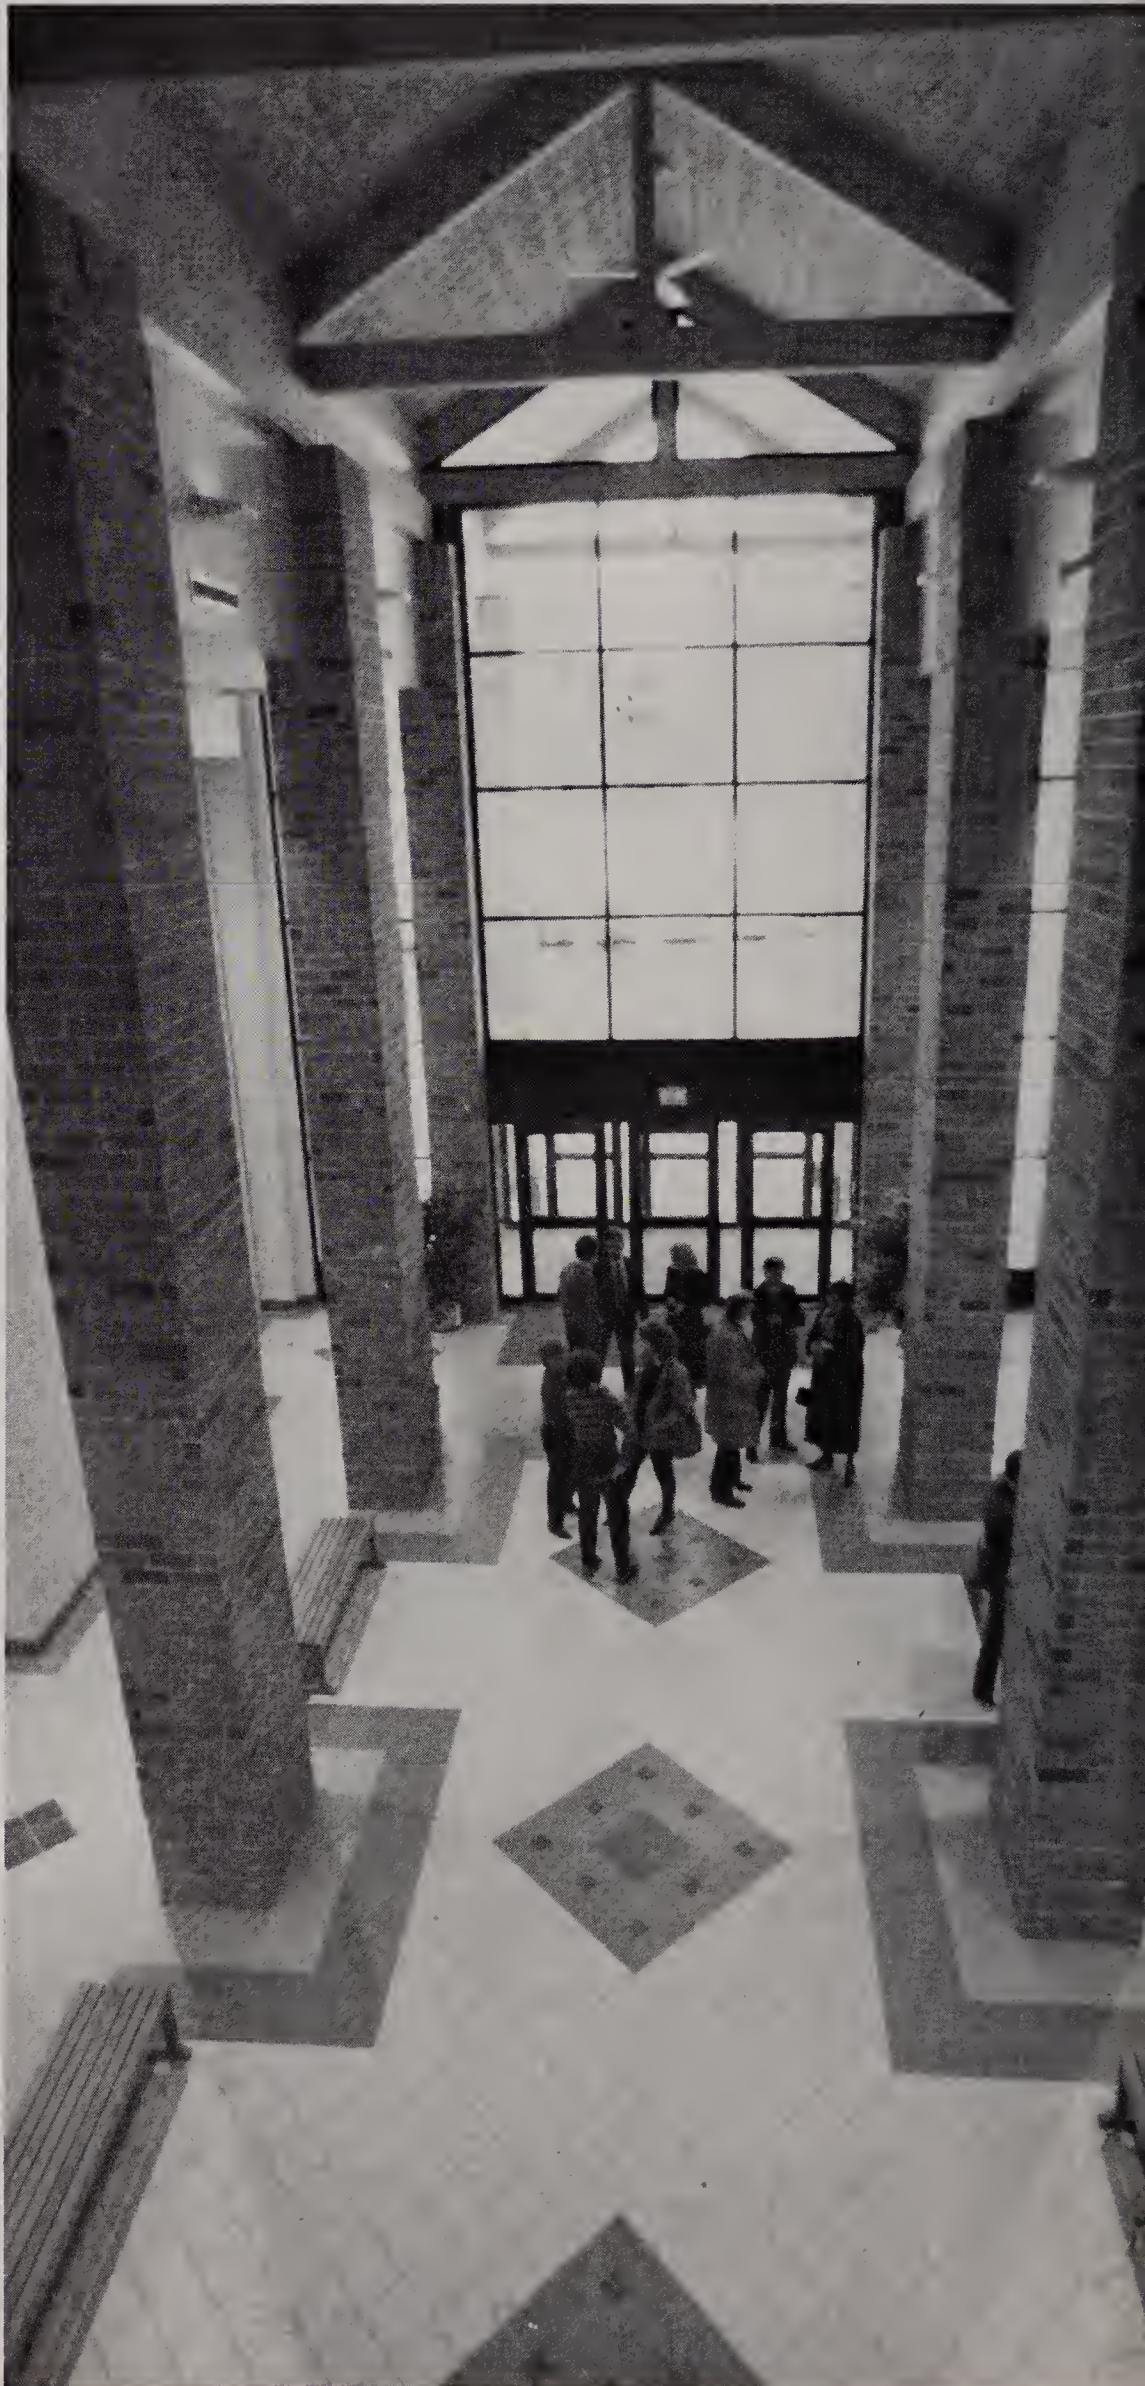

The Plourde Recreation Center was named after Mr. and Mrs. Roger Plourde, who generously donated a million dollars to the Recreation Center's construction. It was officially opened to students the first week of February. The facility contains a pool, racquetball courts, a three-court gym, an aerobics room, a fitness center, free-weight room, and an indoor track. The center was quick to become the center of activity for the campus.

The official dedication of the Center was held on February 27th, with a ribbon cutting ceremony and a dinner for the top donators.

Ann McCarron is the Center's director and along with her administrative staff and the student employees, the center has been run effectively and without problems.

The intramural program which will now consist of basketball, co-ed wallyball, indoor soccer, and co-ed water polo. The intramural program has grown considerably now that students know that the competition will be held in the new facility.

Siblings' Weekend

Siblings' Weekend 1993 was held on April 16-18. Siblings of all ages began arriving on Friday afternoon, and upon registration, many received their new T-shirt and a very handy coin holder, just in case they had any money left by the end of the weekend.

The activities on Friday consisted of a showing of the Disney's movie *Aladdin*. The movie was shown both days to packed houses of siblings and students of all ages. Later on Friday night there was a Lip Sync Contest and a late night movie and pizza party for those who were allowed to stay up a little later than usual.

On Saturday, the Siblings' Weekend committee was excited to see the sun out and the weather pleasant, since for the past two years it has rained all weekend. The Plourde Recreation Center gym was filled with everything from a miniature golf course, phoney tattoos, caricatures, and two air-filled moonwalks. Siblings could also play basketball, racquetball, go swimming, or just sit in the sun and watch the Assumption baseball team play a double-header. The main event on Saturday night was the MTV Video Dance Party. The music was loud, the place was full, and a general good time was had by all who went.

After mass and brunch on Sunday, reluctant parents came to take the younger ones home. The week-end was an all around success and all of those students and family members wish to thank the Siblings' Weekend Staff, especially the chairperson, Julie Sacchetti, who for the second year in a row did a great job.

HEIGHTS

The 1993 *Heights* Yearbook staff consisted of 24 members who all worked together in completing this year's book. Staff duties consisted of student photographers who took pictures of various on campus events- such as sports, concerts, Club 21 and special campus events. Section editors had special duties to complete layouts, gather pictures and information about their particular section. A marketing staff of three members lead by Dan Barnick, was developed to raise money for the yearbook. Dan worked on this as a 3-credit internship, the first one developed between Student Life and Academic Affairs at Assumption College.

Much hard, technical work was involved in completing the yearbook. Section editors spent many late nights cropping pictures and designing layouts to meet the publisher's deadlines. A generous effort was put forth by all in completing the 35th *Heights* yearbook for Assumption College.

I welcome this opportunity to extend my warmest congratulations to the members of the Class of 1993.

You have been blessed with a liberal arts education in the centuries-old tradition of the Catholic Church. Your minds and your souls have been nourished and enriched through exposure to the great treasures of the Western intellectual tradition. The time you have spent at Assumption College has prepared you to face the exciting challenges that lie ahead.

You have the opportunity to bring this education to bear on every aspect of your lives as citizens, professional persons, and parents. You are called upon to live with wisdom and compassion as your guides. You are challenged to be a light to the world, examples of Christian charity, and men and women of conviction.

As graduates, you will have a special place in the Assumption College community. I sincerely hope that this is the beginning of a long and joyful association with your alma mater. I welcome and look forward to your continued interest as alumni and alumnae.

May God grant you good health, happiness and success.

To the Class of 1993:

I hope this yearbook brings to you many pleasant memories of our last year here at Assumption College. Graduation is definitely a sad moment, especially when you know that it may be a long time before you see some of your friends and acquaintances again. However, your memories will always be with you, and this yearbook gives you concrete pictures, words and thoughts to help you remember your time at Assumption. These were the best years of your life and time can never take that away from you as long as you choose to remember and hold onto your memories.

Special Thanks-

I would like to thank the entire *Heights* staff for always being committed to the yearbook. It was definitely a great task- between taking pictures, getting copy, doing layouts, selling books, and organizing everything to come together for our deadlines, but we did it, as this is proof. I hope when you all look through this book you will be proud of whatever piece of work you did and be glad you helped.

To all section editors- **Kim:** Thanks for all the pictures you took, calls to Russell, film you had developed and organizing other photographers; **Karl & Pat:** You guys were great! I never saw such creativity in sports captions before! **Marcy:** I know it was a pain, but you did it! Thanks so much- clubs is the hardest section to get information for. **Dan:** You helped out tremendously! I'm glad we were able to pull this internship off! **Jen:** Best of luck for you next year as editor- I'm just glad I don't have to do it again! **Mark:** Thanks for all your effort in

helping design the cover and completing divider pages. You had some great ideas! **Laurie & Karen:** Thanks for spending time to count all those superlatives and class favorites! **Valery:** Thanks so much for tracking down all those departments and organizing the faculty section. **Dawn:** Thanks for all your work on townhouses, res life and seniors. I'll never forget trying to get all those res life pictures! **Julie:** Thanks for working so hard on Club 21 pages and all those special events, especially when you had to do some of those layouts all over!

Thanks to **Carolina** - for spending 2 straight days working on senior week and graduation pages! I really appreciate all your effort.

Thanks to Maureen Killay, and Michael Cross for all their help, and our Publisher, Dan Smith, for all his time and effort in helping the staff produce a great looking book.

Laurie Leonard
Editor-in-Chief

To all of 62, Marcy, Kerstin, & 62- thanks for all the great times, and especially to all my roommates for putting up with yearbook griefs! I'll never forget Raven, Limo Night, the Cape, all our jokes, laughs and talks. Thanks Mom & Dad for everything and to Tom- thanks for all your support- I love you.
